Chapter 1 by Georgiana Elena Pana

He told me: "I will always be with you", but it was not so. The devil lied me. He sent a demon after me and so gave me a best friend. We all have our demons that sometimes encroaches upon us. But me and my demon aren't so. Now I will tell you our story.

Every night I came stressed at school. Screaming and throwing things. I felt like a freak. The examinations were over 3 weeks. I not learned anything and I was preparing for the banquet. One day I came home and I locked the room. I cried for hours for no reason. My mother screaming and beating on the door. She asked me what happened. I sat in a corner and weep. After 1 minute I took a scissors and tried to kill myself. And I did it. I cut my veins and I sat there for 15 minutes. During this time I lost a lot of blood. My mom took me immediately to the hospital, but the doctors said they can not do anything. And they were right. They could no longer do anything. Only the devil could. And he did ... he saved me. He put me to swear eternal faith for him. After I did this, he was brought me back to life. My mother was very happy and swore that he would go every Sunday to church. She was faithful to God, and I to devil. After I got home, there was a quarrel between mother and father. I managed to calm down, then we slept.
